

NANDHA KUMAR K B

COMPUTER SCIENCE ENGINEER

nandhakumarkb2005@gmail.com | +91 7200942020 | LinkedIn | Portfolio | Github

PROFESSIONAL SUMMARY

Versatile Web Developer and CSE student specializing in creating intuitive, user-centric applications. Highly skilled in modern web technologies including React.js, JavaScript, HTML, and CSS, paired with a strong eye for UI/UX design using Figma. Combines engaging front-end development with robust programming logic in Java and Python.

SKILLS

- **Languages:** Java , Python , JavaScript , SQL
- **Web Development:** UI/UX , HTML , CSS , React.js , Node.js , Express.js , MongoDB
- **Data Analytics:** Microsoft Power BI , Microsoft Excel
- **Developer Tools:** VS Code , GitHub , Figma , Canva , Antigravity
- **Coding Profiles:** LeetCode: NandhaKumar_KB | HackerRank: NandhaKumar_KB

PROJECTS

GreenCart – Full-Stack Grocery E-Commerce Platform | [Live Project](#)

Built a comprehensive MERN stack grocery delivery platform featuring a dynamic product catalog, real-time shopping cart state management, and secure checkout. Developed a dedicated seller dashboard enabling vendors to list products, upload and optimize media, toggle inventory status, and track user orders.

Car Rental Booking System | [Live Project](#)

Engineered a dual-role car rental application allowing users to filter available vehicles by location and date, while enabling car owners to list vehicles and manage booking statuses. Optimized platform load speed and media delivery and enhanced user experience (UX) by implementing smooth page transitions and interactive interface animations.

Smart Campus KPR – Institution Management Solution | [Live Project](#)

Architected a specialized digital campus platform aimed at centralizing resources and streamlining academic operations for students and faculty. Leveraged modern Git workflows for version control and successfully deployed the scalable web application globally via Vercel.

EDUCATION

KPR Institute of Engineering and Technology – Coimbatore, India

2023 - 2027

- B.E. in Computer Science and Engineering | CGPA: 8.55

Einsstein Matric Higher Secondary School - Namakkal, India

2021 - 2023

- Higher Secondary Education | Percentage: 92%

CERTIFICATIONS

- Full-Stack & System Design: Specialized in end-to-end application architecture through 'Full Stack Development' (GreatStack) and 'React.js' (ExcelR).
- Enterprise Logic & Backend: Validated proficiency in backend engineering with 'Java' (HackerRank) and 'Python' (Infosys SpringBoard).
- Design & User Experience: Mastered 'UI/UX Design' (Great Learning) & 'Figma' (LearnTube), focusing on the intersection of brand aesthetics and technical usability.
